

My Ego Freestyle

Just hitting send like Machiavelli
caught five but seven was sent
got too heavy for his Chevy –

theories got me aging like finer wines
measurements within fine lines
inclined to rewind but that's a waste of time –

My ego is animalistic, for guerrillas
now check the ballistics, the systems twisted –

forensics can't identify my anemic thoughts in court
militant strategically holding the fort –

prisons and faculties caged to react savagely
ripping your face sticking steel through your anatomy –

death is destined, catching bodies since an adolescent
vehicular homicides to pedestrians –

antisocial, my game is universal
fuck up my mulo guns express my vocals –

trips to Cali, secret compartments in the caddie
transporting, dump the weight from a taxi –

psychic missions, nine yards I'll run the distance
Cleo visions the opposite of a Christian –

fuck the Jakes I can't escape I lust paps
I'm forever the enemy of the state –

in cod needle base is ten times lethal
dope fiends straight shooting that diesel –

infected needles, partners in crime with evil
stuffing mules to cross borders a nickel a kilo –

the sun expose winos drinking wild Irish rose
pimps checking traps them ho's on a stroll –

two elevens, hell arriving from heavens
arteries swelling against the odds of jailing –

stereotypes, stuffing dutches to take flight
to avoid cock suckers and parasites –

murders for hire to secure my desires
detrimental behaviors savoring the fire, fire, fire –

Just hitting send like Machiavelli
caught five but seven was sent
got too heavy for his Chevy –

theories got me aging like finer wines
measurements within fine lines
inclined to rewind but that's a waste of time –
